ELIGIBILITY AND JUDGING: Entries may originate in any format -- including but not limited to digital files, digital prints, color transparencies, color prints, or black and white prints -- but must be submitted electronically.

Previously published material for which non-exclusive rights were granted may be entered as long as you still maintain the right to grant us a license. (See "Your Rights" below.) You must be able to disclose when and where the photo appeared previously upon request.

Images will be judged on scenic beauty, originality, technical excellence, composition, overall impact and artistic merit. The judges will also follow these guidelines:

- Images should represent views and vistas in (or of) Virginia that are clearly identifiable and available to the public.
- Images should represent vistas, scenic area or panoramas, but not close-ups and interior shots.
- Winning images will be featured together in note cards and on public display, and some consideration will be given to compatibility of images as a set.

Scenic Virginia shall determine winner eligibility in its sole and absolute discretion. All decisions by the judges are final. The photo competition is not open to the Board members and staff of Scenic Virginia.

WINNING PHOTOS: A panel of judges will select a photo winner in each of the categories, as well as an overall Best in Show. Each winning photographer will receive:
